Tigers – Hear Us Roar!

Dear Parents and Guardians,

I hope you have enjoyed the summer! We are looking forward to a productive and positive 2018-2019 school year. We are excited to have the students back in our building filling our hallways with enthusiasm and energy. Crothersville Jr/Sr High School is a learning environment where every decision our school makes will be student focused. My primary goal as principal is to ensure all students are provided with rigorous, engaging, and supportive educational experiences. Thus enhancing their self-confidence while preparing them for any career field they wish to pursue. Whether it be in the classroom, on the court, or part of an international trip; we will provide a productive setting for students to learn, grow, and prepare them for a future full of success.

My door is always open. No topic, question, or suggestion is off limits. We improve together. My hope is to build upon the countless strengths within the building and develop new partnerships and academic opportunities to ensure our student's academic goals are met. I look forward to hearing from you.

I am honored to serve as principal of Crothersville Jr/Sr High School. It is truly a privilege to be a part of a community where parents, teachers, and students care for each other and strive to build positive relationships that support academic success. Please feel free to contact me at 812-793-2051 or at arobinson@crothersville.k12.in.us

Sincerely,

Adam Robinson
