Dear Craft Show Vendor,

Greetings, from your craft show chair. With school starting, it's that time of year again, and our Craft Show is just around the corner! This year we are planning to hold the biggest craft show we have ever had in history. Our goal is to beat the one hundred and twenty tables we had last year.

We would like to thank all the previous vendors for all their comments and concerns from the past years' craft show evaluation forms. We are continually working to improve our craft show. Our Craft Show will be held in both gyms again this year to accommodate the growing needs of the show.

Now we would like to give you a special invitation; one that is extended to our previous vendors first, before anyone else will be given the chance to take part in our show. We hope that you will join us on Saturday November 17<sup>th</sup>, 2018 in the Crothersville Main and Auxiliary Gyms for our 24<sup>th</sup> annual Craft Show. **Unfortunately, for many reasons, this year we have decided that we are unable to provide tables.** More information about the show and how to insure your spot is given in the next page.

Our chapter hopes to continue the growth and success of our show each year, and your help will be greatly appreciated. The show was a HUGE hit last year because of you. Our 23<sup>rd</sup> Annual Craft Show wouldn't of been the same without you.

Thank you,

Rebekah Cook
